2. Refer to Section 3.3 of the proposed tariff. Add the following language at the end of Section 3.3:

Acceptance by the Commission of the liability provisions contained in this tariff does not constitute its

determination that the limitation of liability imposed by the company should be upheld in a court of law, but the recognition that, as it is the duty of the courts to adjudicate negligence claims and rights to recover damages therefor, so it is the duty of the courts to determine the validity of the exculpatory provisions of this tariff.

3. Revise proposed original page 13, Section 3.5, as follows:

a. Delete the sentence "No notice shall be given to any authorized user."

b. Add language showing "that service will not be terminated before 20 days after the mailing date of the original unpaid bill."

4. File appropriate tariff pages showing the bill form to be used or its contents in compliance with 807 KAR 5:006, Section 6(3).

5. 807 KAR 5:006, Section 14, allows termination of service without notice only for illegal use of service or where a dangerous condition exists. Provide revised tariff sheets complying with the notice requirements of this regulation.
